**COMMENTS:** The following is a layout plan of the tie-downs and marking for the west ramp expansion for the current project. This layout is the same as the tie-down layout on the east ramp, which was a previous FAA project some time ago. Mr. Hammon would like to use this layout on the west ramp expansion with your permission.

Please review this drawing and notify me by email if this is approved or if you have any comments.

Sorry about your Spartans finishing fourth in the Super Six CCHA playoffs. Did you go to any of the games. I went Saturday and saw the last period of the consolation game and all of the Championship game.
