Dear WOOSE Organization members:

Thank you for your letter regarding the expansion of the Don Scott/ OSU Airport.

My office has received correspondence from several residents of Worthington expressing their concern that the major increase in air traffic, due to the runway expansion, will result in an unbearable nuisance.

I have contacted the following expressing my constituents' concern:

1. The Ohio State University Board of Trustees
2. Irene Porter, ADO Manager, Federal Aviation Administration (enclosed)
3. Jeri Alles, FAA, Airports Division Mgr., AGL-600 (enclosed)
3. Doug Hammon, Don Scott Airport Director
4. Congresswoman Deborah Pryce
5. Dave Elder, Manager, City of Worthington
6. Mid-Ohio Regional Planning Commission (MORPC)

I will continue to work to ensure that the citizens of Worthington's concerns are taken into consideration throughout the process.

Thank you for your correspondence. I will continue to monitor the situation.

Sincerely,

Linda Reidelbach

Mr. Jeri Alles
FAA, Airports Division Manager, AGL-600
2300 East Devon Avenue
Des Plaines, IL 60018

Dear Mr. Alles:

I am writing in response to concerns my Worthington, Ohio constituents have expressed regarding the adverse affect the expansion of the Don Scott/OSU Airport will have on our community.

The Ohio State University recently conducted an Environmental Assessment that was found to be "fatally flawed" by experts hired by the City of Worthington.

In the interest of all parties concerned, I respectfully request that the Federal Aviation Administration conduct an Environmental Impact Study (E.I.S.) on the plans for the extension of the Don Scott Airport's North runway.

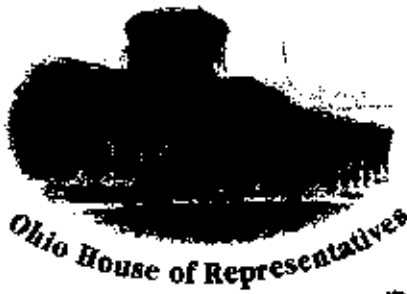

Thank you for you consideration in this matter. I would appreciate a reply to this request.

Sincerely,

Linda Reidelbach

Ms. Irene Porter, ABO Manager (Detroit Airports District Office)
Federal Aviation Administration
8820 Beck Rd.
East Willow Run Airport
Belleville, MI 48111

Dear Ms. Porter:

I respectfully request that the Federal Aviation Administration conduct an Environmental Impact Study (E.I.S.) on the plans for the extension of the Don Scott Airport's North runway.

I am writing in response to concerns my Worthington constituents have expressed regarding the proposed expansion of the Don Scott/OSU Airport.

They have expressed grave concern that the major increase in air traffic, due to the runway expansion, will result in an unbearable nuisance. They foresee an adverse affect on their property value and the quality of life in the area.

Thank you for you consideration in this matter.

Sincerely,

Dear Mr. Ray:

I am writing in response to concerns my Worthington constituents have expressed regarding the proposed expansion of the Don Scott/OSU Airport.

They have expressed grave concern that the major increase in air traffic, due to the runway expansion, will result in an unbearable nuisance. They foresee an adverse affect on their property value and the quality of life in the area. They also feel that their voiced concerns are not being adequately addressed.

While I understand that with new technology aircraft noise pollution has been reduced, I can also understand the concerns of Worthington residents regarding this project.

If you could shed some more light on this issue it would be most appreciated. Thank you for your time and consideration of this important issue.

Sincerely,
