SECTION 6 - AGENCY COORDINATION AND PUBLIC PARTICIPATION

6.0 AGENCY COORDINATION

Coordination with the appropriate local, State, and Federal governmental agencies has taken place during preparation of this EA (see correspondence in Appendix C). Issues such as threatened and endangered species, wetlands, floodplains, farmlands, contaminated sites, cultural resources, land use/zoning, and future development were addressed. Based upon this coordination, the Preferred Alternative was determined to be consistent with local, state and Federal planning activities. The following agencies and entities were contacted for this EA:

- The Ohio State University
- City of Columbus
- City of Worthington
- City of Dublin
- Perry Township
- Franklin County
- Port Columbus International Airport
- Village of Riverlea
- The Mid-Ohio Regional Planning Commission (MORPC)
- Northwest Civic Association
- Ohio Department of Natural Resources (ODNR)
- Ohio Department of Agriculture (ODA)
- Ohio Environmental Protection Agency (OEPA)
- Ohio State Historic Preservation Office (SHPO)
- Ohio Department of Transportation (ODOT)
- U.S. Natural Resources Conservation Service (NRCS)
- U.S. Fish and Wildlife Service (USFWS)
- U.S. Environmental Protection Agency (USEPA)

Comments from state and Federal regulatory agencies received during the coordination process were addressed in the appropriate sections of this EA.

6.1 PUBLIC PARTICIPATION

In addition to advisory, small group, and public information meetings, this EA will be made available for public review, and a public hearing will be held. Representatives from the OSUA, FAA, and the consultant team will be in attendance to present information about the proposed improvements and to answer public questions. A court reporter will also be in attendance to record public comments.
