

# PETITION FROM AREA RESIDENTS IN OPPOSITION TO THE OSU AIRPORT RUNWAY EXPANSION PLAN

We, the undersigned area residents oppose the proposed North runway expansion or the expansion of any other runways at Ohio State University Airport, Don Scott Field on the basis that it will have a severe negative impact on our quality of life and property values. We oppose the Airport's objective of becoming a corporate jet gateway as an ambitious plan that far exceeds its original mission and violates the good neighbor spirit Ohio State University advocates.

While we recognize the Airport's economic and humanitarian value to the area, we believe it best serves that mission in its current configuration. The proposed runway expansion will significantly increase air traffic over our homes, churches and schools and we find that unacceptable.

In summary we believe that any runway expansion at Ohio State University Airport is not in the best interests of the surrounding communities and signals a broad and negative statement concerning the value they place on their neighbors, friends and contributors.
